## Louise Adler on Benjamin Netanyahu

---

How does Benjamin ‘Bibi’ Netanyahu, a man embroiled in scandal and mired in political controversy, maintain his political hold as Israel’s prime minister, a position he has held since 2009? British journalist Anshel Pfeffer aims to find out in *Bibi*, his extensively researched biography of the renowned figure. To know Bibi, Pfeffer shows us, is to come closer to understanding the complexities of Israel. Within the man is a history of the nation’s conflicts and an indication of where it is heading.

Louise Adler, Chief Executive of Melbourne University Publishing, reviews Anshel Pfeffer’s biography *Bibi: The Turbulent Life and Times of Benjamin Netanyahu* in our November issue. **The review is available online now.**

**Louise Adler** is the Chief Executive of Melbourne University Publishing and a member of the International Publishers Association’s Executive Committee.

**She is available for interview.**
